KUR-WORLD: KURANDA REGION RESIDENT PETITION

RETURN TO PO BOX 978 KURANDA QLD 4881 OR HONEY HOUSE, KURANDA ORIGINAL MARKETS
www.kurandaregion.org | info@kurandaregion.org

This petition of residents of the State of Queensland draws to the attention of the House our grave concerns about the negative environmental, cultural, economic and social negative impacts of the proposed KUR-World development, which entails building a new satellite suburb within the Kuranda region on land with very significance environmental values.

The development is particularly objectionable as it is contrary to the current planning framework for this region (FNQ 2031) and this shire (Mareeba Shire Plan 2016).

Your petitioners therefore request the House to do everything in your power to stop the proposed KUR-World development.
