Dear Jax

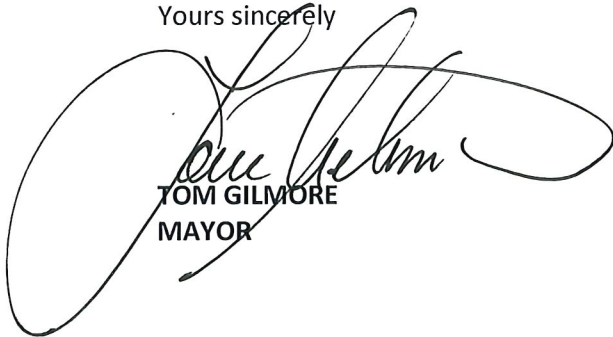

RE: APPLICATION TO THE RAINFOREST TRUST

This letter is provided in support of your request to the Rainforest Trust to purchase the "Barnwell" properties should they come onto the market.

The properties are currently zoned as Rural in Council's Planning Scheme and as such the use you are proposing is not in conflict with the Scheme.

Council is aware that the natural environment is under pressure as a result of human developments and population growth. It would support private individuals and organisations who would be willing to offer up freehold land for the protection and/or rehabilitation of the environment.

Yours sincerely

TOM GILMORE
