

PETITION

To the Mayor and Councillors of the Mareeba Shire Council

This petition of residents of Kuranda and its surrounding districts in the Mareeba Shire draws to the attention of the Council that as a result of the Mareeba Shire being undivided for electoral purposes, the Kuranda district with a population in excess of 3,000 persons, remains without direct representation by members of the Council.

Your petitioners therefore request that Council agrees to seek approval from the Honourable Stirling Hinchliffe MP, Minister for Local Government, for the Mareeba Shire to be divided into electoral divisions in time for the next Council election, due in March 2020.
